## SAT-ACT-AP Exam Prep

- Each student's program is custom-designed to target his or her individual needs & fill skill gaps.
- We offer practice & immediate feedback with actual SAT-ACT test questions.
- We teach students valuable test-taking strategies to ace the exams!
- When requested, we assist students with writing their all-important college application essays.

### **PERSONALIZED \* TARGETED \* 1-ON-1 \* IN-PERSON/ONLINE/HYBRID \* SMALL GROUP OPTIONS**

- For **1-on-1**, intensive SAT-ACT-AP prep tutoring, price options are itemized below.
- We offer every student a highly detailed **diagnostic skill assessment**. Our skill tests are internationally acclaimed for detail and accuracy. Although valued at \$250, we offer them to our students @ \$98 (or \$149 for the comprehensive math/ELA/critical thinking series). Students take the assessments online, in the comfort and convenience of their own homes. We review the results individually with each family and collaborate on a tutoring program in a **personal, 2-hour consultation**, at no charge.
- From the results of the skill evaluation, we create a **customized curriculum** for each student—one that targets each individual student's unique goals and skill levels. Then, our highly qualified tutors come right to your doorstep, or other convenient location, with a mastery learning program that's aligned to your student's skill levels, the state curriculum standards, and the College Board standards.

The best way to score well on the SAT-ACT-AP exams...is to *know the answers!*  
Therefore, targeted tutoring is the most effective way to raise test scores!
